

Extra Deep Base For CAM083, 085 & 086

Extra Room For Connecting Your Camera

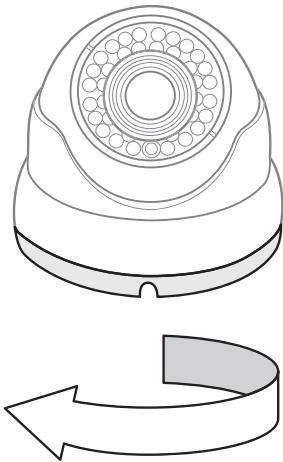

The CAM089 extra deep base gives you more room to house the connections of your eyeball camera for an easier installation.

The extra deep bases can be used with the CAM083, 085 and 086 eyeball domes and come in the same 3 colours, graphite, silver and white.

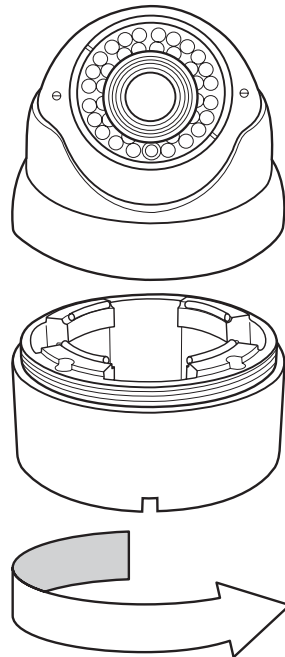

The CAM089s are intended for external use and don't effect the camera's IP rating of 66.

How To Attach The Extra Deep Base

1

2

The CAM089 is really easy to install. Simply unscrew the original shallow base and attach the extra deep base.

For more information on IP ratings and what they represent see online tip 153 ▶▶▶
