## www.kovert.com D CAM610 NiteDevil Camera Bracket Assembly for CAM700

Doc XCAM610

The CAM610 bracket can be used to mount the CAM700 NiteDevil. This bracket has a managed cable option with cables running through the bracket. The bracket has to be assembled to the CAM700 NiteDevil camera and the following instructions should be read before assembling unit.

The first step is to check that all the parts supplied for assembling the dome bracket are available as per diagram below:

## www.kovert.com CAM610 NiteDevil Camera Bracket Assembly for CAM700

1. Remove backing from small seal and attach to unit H3.

2.

4.

- 3. Go to camera and remove original back plate.

- 5. Fasten camera to new bracket using black screws from original camera casing.
- from original camera casing.

6.

7. Fit Rubber Seal to back of arm.

Thread camera cable through arm.
