The Expert's Advice…

"These connectors are a great one to have in your toolbox, they are a quick and easy way to add a BNC plug onto a stranded cable such as CAT5 or alarm cable."

Great for sending video over CAT5 or alarm cable

With a BNC plug at one end and a terminal strip at the other the CON380 is great for sending video short distances over CAT5 or alarm cable. The CON380 is really easy to wire making it ideal for small commercial and residential installs.
