

Quality Gold Plated HDMI Adapters

These handy HDMI adapters help optimise picture quality with 24k gold plated connectors and by keeping the cable kink free.

Adapters Available

VID500 - Plug - Socket - With a twist range of 180° and a swivel range of 180° the VID500 is ideal when space is limited or when wall mounting monitors.

VID511 - Socket - Socket - With a twist range of 180° and a swivel range of 180° the VID511 allows you to connect two HDMI leads at virtually any angle whilst keeping both cables flat.

VID512/513 - Right Angle - Allows for a tight bend without damaging cable so cable can run along side equipment rather than protruding out.

Features

- 24k Gold Plated Connectors
- Great In Tight Spaces
- High Quality CCTV Images
