

How do I remotely backup footage on ZipVision from my Zip Recorder?

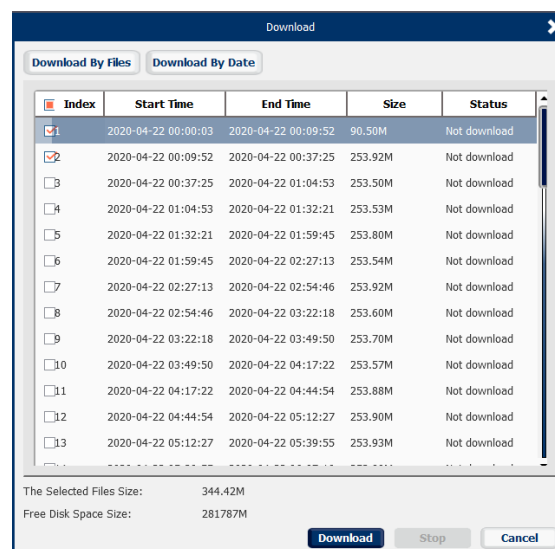

1. Enter the **Playback** Tab at the Top
2. Select the **DVR Name** and then **Channel** on the left

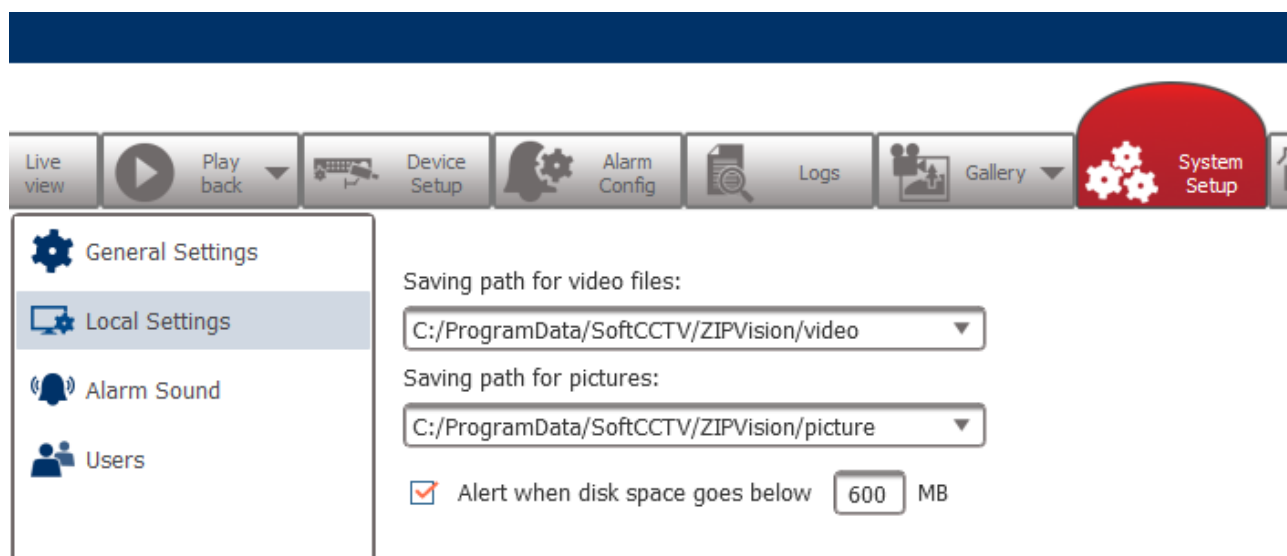

3. Select the **Download** Icon at the bottom right of the View

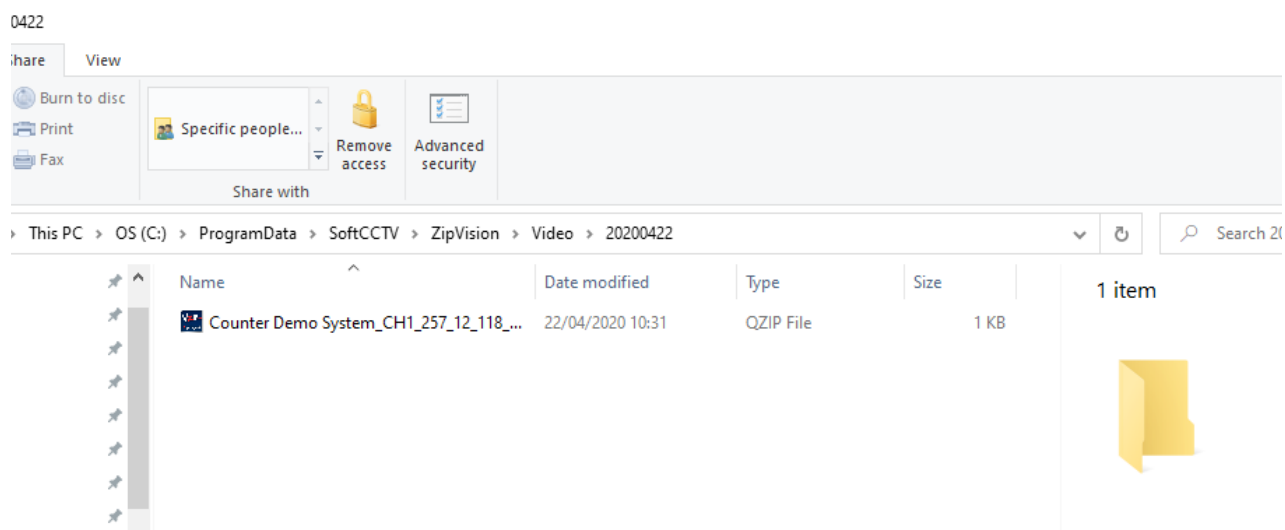

4. Select the **Files** you wish to backup

5. Once the files are backed up you can find your files by looking in **System Setup** and **Local Settings**

6. **Navigate** to these files on your computer

7. **Select** the files and Playback using the **VZIP** Playback software

You can find software players here:-
