... choice of 4 bracket options !!

Housed in an attractive but rugged anti-vandal case with a tough polycarbonate dome, this new 4-in-1 CCTV camera produces great quality images. Rated at IP65 for both outdoor and indoor use and in a choice of modern diamond white or graphite grey it really does look the bee's knees in multiple locations.

and 4K resolutions to choose from there's a lot to like about this new Vandal proof dome. Setting up is easy with the 4-in-1 technology set via a simple switch.

TECHNICAL SPECIFICATION
 TVI / CVI / AHD / CVBS
 2MP, 5MP & 4K Options
 2.8-12mm Varifocal Lens
 2 x IR LEDs
 Up to 40m IR Range
 Mechanical Day/Night
 Up The Co-ax Control
 12V DC (130 up to 350mA IR on)
 IP66 For External Use
 Ø148 x H109mm

4 powerful IRs give it night vision, making it a good choice for public areas such as stairwells, corridors, subways and car parks, but it's equally at home on the outside of a domestic or commercial building with a variety of mounting brackets to get the right look and installation. Like all the ZIP motorised lenses for added convenience you can zoom in and out using the DVR/NVR or your phone.

Bracket options below!

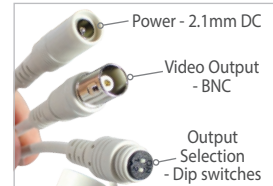

A great advantage over other CCTV cameras is the wide choice of mounting bases. Choose from an extra deep base for easy cabling connections, the wall mount "top hat" style for a near wall mount, the swan neck for a classic look or the ceiling bracket for porches, shops, warehouses etc.

The high quality motorised zoom lens makes it a great choice in a variety of installations and with 2MP, 5MP
