**High Performance Compact PTZ
with Lowlight NiteDevil® Technology**

... with staggering 33X Optical Zoom and Powerful IRs

- 33x Optical Zoom / 31x Digital Zoom
- Compact Size in a Stunning Gloss Finish
- HD 2MP - TVI, CVI, AHD & CVBS
- NiteDevil Low Light
- Auto Adjusting IRs with 120-140M Range
- Privacy Masking
- Co-axitron & RS485 Control
- Fast 360° Pan + Tilt with Auto-Flip
- Presets, Patrols, Patterns
- 24V AC PSU Supplied

Top of the range high speed PTZ with all the features needed for more demanding retail and commercial applications.

The true day/night mechanical IR cut filter ensures the camera's sensor receives the optimum amount of IR light available day and night. The filter sits in place during the day preventing over saturation and is removed at night so that the sensor receives as much light as possible.

With a 33x Optical Zoom and superb NiteDevil low light technology, this PTZ is feature packed yet still measures only 17cm in diameter!
