		Ext - 200 x 150 x 100mm
BOX520	Large	Int - 229 x 147 x 95mm
		Ext - 250 x 170 x 102mm

*The interior dimensions may be slightly smaller in places due to fixing holes and mouldings. If you're not sure your equipment will fit it's safer to go for the next size up.

Did You Know?

ABS boxes are great for housing wirefree transmission devices outdoors as they are easy to wall mount and don't attenuate the signal like a metal housing could.

MINIMITS
Wirefree Transmitters
Can be housed outdoors using
the BOX415 above!
